Neighbourhood Forum designation decision

St John's Wood Neighbourhood Forum was originally designated by Westminster City Council in June 2016, for a period of 5 years. Notice is hereby given that Westminster City Council, through a decision made by the Cabinet Member for Place Shaping and Planning on 29th June 2021, has re-designated the St John's Wood Neighbourhood Forum as the neighbourhood forum for the St John's Wood Neighbourhood Area for a further 5 years.

Reasons for decision:

- The St John's Wood Neighbourhood Forum is considered to meet the requirements of the neighbourhood planning legislation. The Forum's written constitution states that it was specifically established to promote and improve the social, economic and environmental well-being of the St John's Wood Neighbourhood Area, whilst it also has membership of more than 21 persons and is open to individuals who live or work in the area or are elected members of the City Council.

- ii. The St John's Wood Neighbourhood Forum is considered to be representative of the designated St John's Wood Neighbourhood Area, with at least 40 members representing the interests of businesses, residents, and community organisations.
- iii. Consultation on the proposed re-designation of St John's Wood Neighbourhood Forum did not receive any objections.
- iv. No competing applications for an alternative Neighbourhood Forum for the area have been received.
