Document code: WCC\_LETTER\_003

This document has been produced in order to respond to paragraph 19 in the “Appointed Inspectors Note 1 to Council Westminster Local Plan” (code INSP1):

*“It is also noted that the SOCGs include a number of proposed modifications but it is unclear to us whether or not these have been incorporated into the submitted Schedule.”*

It cross-references the minor modifications which were agreed with stakeholders through published statements of common ground.

SCG with:	Minor modification reference
<a href="#">Environment Agency &amp; Thames Water</a>	Specific modifications not agreed through published SCG which sets out a high level intention to collaborate and try to resolve issues. A further SCG is being negotiated on specific wording.
