

# Choosing Childcare

There are many types of early years provisions across the City of Westminster:

- Childminders.
- Parent and Toddler Groups.
- Crèches.
- Pre-Schools.
- Nurseries.
- Out of School Hours Play.

Each will offer your child opportunities to:

- Experience a wide range of activities.
- Learn through play.
- Develop their skills.
- Make new friends.

Look at what you think will suit your child and their particular needs. Each provider will be able to tell you about their service, invite you to look around and answer any questions you might have.

The Family Information Service provides information about childcare provision in Westminster for pre-school and school age children. The FIS also offers advice on childcare training and recruitment as well as registering new provisions.

If you have any comments questions or suggestions please contact the Family Information Service 020 7641 7929.

We will contribute to the well being, happiness and achievement of children, young people, families and their communities.
