

# Westminster Arts

Westminster Arts funds between 30 – 40 local arts projects each year supporting a wide range of organisations, community groups and artists.

We produce the annual Open Exhibition for artists in Westminster, Professional Development Bursaries for Artists and a range of arts programmes for example with older people including those with dementia.

For further details or if your organisation would like to become a member of Westminster Arts, please contact us or visit [www.westminsterarts.org.uk](http://www.westminsterarts.org.uk)
