Responsibilities of the waste producer

When using Westminster commercial waste/ recycling bags and cardboard tape:

- All waste must be properly contained in the appropriate bags.
- No ordinary black bags can be presented for collection.
- All bags must be tied and sealed.
- No liquids, it can't leak.
- No uncontained broken glass.
- No cardboard tapes on bags larger than a standard commercial waste bag
- Max 5 kg per bag
- Cardboard must be flat packed and bundled.
- No more than 15 boxes per whole cardboard tape.
- Use a whole cardboard tape don't tear and use half or less.
- No builders waste, soil, chemicals, paint, appliances, bulky items, liquids and raw meat can be presented in commercial waste bags. Order a special collection instead.

When using a commercial waste/ recycling container:

- Don't overload the container, the lid must be closed
- Inform us if your container is faulty. All containers must have lids and working castors.
- Excess waste that doesn't fit in the container can be collected if you request an extra collection.
- No builders waste, soil, chemicals, paint, appliances, liquids and raw meat can be deposited in the container. Order a special collection instead.

The Waste Transfer note must be completed by the customer and returned to Westminster City Council on an annual basis.

You are required under Section 34, Environmental Protection Act 1990 to complete and keep a copy of the Waste Transfer note for 2 years. This Waste Transfer Note does not serve as a contract between yourselves and Westminster City Council in any way.

Veolia ES (UK) Limited acting on behalf of the City of Westminster is defined as 'The Carrier' Registered Waste Carrier No. CB/EP3195BG issued by the Environment Agency.
