

## 2019 expansion of diesel surcharge scheme

Our diesel surcharge scheme has now been rolled out to all zones across the city. The scheme, which applies a 50 per cent surcharge on pre-2015 diesel vehicles paying to park and which has been in operation in F zone since June 2017, is part of the council's ongoing work to improve air quality in Westminster.

Following an extensive consultation exercise, [approval](#) was given in May 2019 to expand our diesel surcharge scheme to all zones across the city from Monday 5 August 2019. The surcharge has been in operation in F zone since June 2017.

A 50 per cent surcharge applies to all pre-2015 diesel vehicles paying to park. The new charges are as follows:
