Ref: Major works X104

Dear Resident,

Major Works planned for Carlton Vale (Project X104): Post-meeting update

Thank you to the residents who attended our introductory meetings for the proposed major works to the blocks in September.

For the benefit of all residents, please find enclosed notes from the meetings. This includes a link to the presentation given, as well as a Q&A covering the points discussed.

Next steps:

We have set up a dedicated page on our website in relation to the planned major works across the six blocks. A copy of the client brief (a document outlining all the work that is planned to the blocks) is being updated following your feedback and we will contact you again to confirm when this will be available to view on our website.

We hope to be ready to pass the client brief to our Major Works contractor, Axis, by the end of November. Axis will then start carrying out more detailed planning for the works and we will keep residents updated as these plans develop.

Contact information:

If you have any questions or concerns about the planned work, please do not hesitate to contact us on the details below. If you do not have access to the internet and would like us to send hard copies of any of the documents to you, please get in touch.

- Call Westminster City Council Housing on **0800 358 3783** (freephone) - ask to speak to Vicky Simpson in the Resident Advocacy Team.
- Email vsimpson@westminster.gov.uk, please quote reference '**project X104**'

Yours sincerely

A handwritten signature in black ink, appearing to read 'V Simpson'.

Vicky Simpson,
Resident Advocate
