

# ***United Living***

## ***Glastonbury House Cladding***

# Introduction

- United Living are currently in a 10 year partnering contract with Westminster City Council to deliver planned maintenance works across the borough.
- Our aim of this presentation is to give a greater understanding of works to be carried out and why.
- To give details of United Living personnel and who to contact.
- Timeframes / start and finish dates.
- Where we are working and will you be effected?
- To answer questions or queries you may have.
