Dear Resident,

Paddington Green major works (T160) – update following residents' meeting

Thank you to those residents who attended the introductory meeting held on the 26 September 2018.

At the meeting we gave an overview of the works planned and explained the next stages before the work starts onsite.

Following the meeting we have put together and enclosed the following documents:

- a 'question and answer' sheet for all residents
- scope of works
- works specific to each block.

As these works progress, we will arrange further meetings to keep you informed.

Also, our website will be regularly updated with information regarding the works:

<https://www.cwh.org.uk/major-works/current-projects/paddington-green-decorations-t160>

If you have any questions about the planned works that are not covered in the question and answer sheet, please contact me and I will be happy to help.

You can call our Customer Services Team and ask to speak to Amoy Ing in the Property Services Team, or you can email me directly at aing@cwh.org.uk.

Yours sincerely

Amoy Ing

Communications co-ordinator, Property Services Team
