### Registers not held at City of Westminster Archives Centre

Much of the information listed here comes from *The Genealogist's Consolidated Guide to Parish Registers, Copies and Indexes in the Inner London Area 1538 to 1837* by Norman H Graham, revised edition 1981, an invaluable work but not an easy one to find your way around. The other source is the National Archives' on-line catalogue, which can be found on their website: [www.nationalarchives.gov.uk](http://www.nationalarchives.gov.uk).
