New homes at Parsons North

PARSONS NORTH DEVELOPMENT UPDATE

We are delighted to say that the Parsons North development is nearly complete.

Our contractor, Osborne, is currently working on the finishing touches to the interiors of the homes. The development comprises ten affordable homes for social rent, nine homes for intermediate rent and 41 for private sale. We look forward to welcoming all new residents moving in soon.

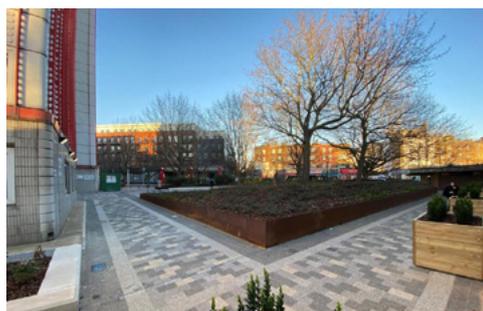

We would like to thank the residents of Parsons House for their continued patience with the ongoing improvement works taking place in their building.

These works will be complete in the next couple of months, providing a modern, spacious entrance and a new meeting room for the residents of Parsons House.

YOUR NEW LANDSCAPING

The communal landscaped area next to Parsons House is now finished and looks fantastic!

We hope that you will get lots of use and enjoyment from this new space, with its accessible paths, seating and beautiful paving and planting.

LOCAL PEOPLE TO BE OFFERED NEW SOCIAL RENT HOMES

The new homes for social rent will be initially offered to eligible local families in the Hall Park Estate through a Local Lettings Plan.

Eligible registered households received a letter explaining the allocation process and how to bid, which will begin soon. We look forward to welcoming these families to their new homes in the coming weeks.
