

Westminster City Council

Determined Admission Arrangements for community primary schools

Academic Year 2022-23

City of Westminster

Westminster City Council (WCC) is the admission authority for 7 community primary schools in the borough. These are indicated below with their Published Admissions Number (PAN).

Barrow Hill (Y3) entry	60	Hallfield	60
Edward Wilson	56	Robinsfield Infant	60
Essendine	60	Queens Park	42
George Eliot	60		

Admission Arrangements for the 2022/23 year of entry for all Westminster Community Schools

Applicants with a signed Education, Health and Care plan which names a school will be admitted in accordance with Section 43 of the Children and Families Act 2014.

Oversubscription criteria

If there are more applications to the school than there are places available, then places will be allocated in the following order of priority:

- 1) Children in Public Care, also known as Looked After Children(a) in care of the local authority, children who have been adopted(b) or made subject to a child arrangement(c) or special guardianship(d) order immediately following having been looked after. Previously looked after children, including those children who appear to Westminster Council to have been in state care(e) outside of England and ceased to be in state care as a result of being adopted [*see note (i)*].
- 2) The Director of Education, as advised by senior officers, may on an individual basis give priority to applicants who can demonstrate that admission to a particular community school is necessary on the grounds of professionally supported medical or social need. Parent/carers must supply details of any such special factors at the time of the original application together with recent supporting documentation. Such applications will not be considered without professional support, such as a letter or report from a doctor, consultant or social worker which must be no more than six months old. All information submitted will be regarded as confidential [*see note (ii)*].
- 3) To brothers and sisters of children already on the roll of the school who will still be in the school at the time the applicant is admitted. This includes half-brothers or half-sisters,

adopted brothers or sisters, stepbrothers or stepsisters or the children of the partner of the parent or carer provided that they live at the same address as the applicant. Please note sibling priority only applies to children with sibling(s) at the school in Years R-6 at the time of admission **not** nursery.

In category (3), in the case of the reception classes at Robinsfield Infant School, sibling priority would also extend to applicants with a sibling attending Barrow Hill Junior School and vice versa.

- 4) Children whose parent is a qualified teacher for a minimum of 0.6fte (16.5 hours teaching staff) who has been employed at the school concerned for two or more years at the time of application and/or children of a member of staff who has been recruited to fill a vacancy for which there is a demonstrable skill shortage [*refer to note (iii)*].
- 5) Children living nearest to the school calculated as a straight line.

Nearness to the school will be calculated using a straight line (as the crow flies) measurement from the child's home 'address point' determined by Ordnance Survey Data to the nearest main school gate used by the school for pupils, and as determined by WCC using its computerised measuring system. The child living closest to the school will receive the highest priority. Accessibility by car or public transport will be disregarded.

Tie-break: If applicants share the same address point (for example, those who live in the same block of flats or shared house) priority will be determined by random allocation. If two or more applicants live at exactly the same distance from the school, the offer of a place will be decided by random allocation.

**Where it has not been possible to offer a place in reception, or any other year group, to a child of a multiple birth, priority will apply within the sibling category.*

Notes:

(i) Children Looked After, also referred to as Children in Public

- a) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.
- b) This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).
- c) Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.
- d) Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)
- e) A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

- (ii) Exceptional Need** - All schools have experience in dealing with children with diverse educational, social and medical needs. However, in a very few exceptional cases there may be reasons why a child may need to attend a specific school, and no other school can meet this need. If you feel there are exceptional reasons for your child to be considered for a priority placement at particular school, you must indicate this in the area provided in your application, giving reasons supporting your case.

All requests for priority consideration must be supported by a professional, such as a doctor or social worker, who must be able to demonstrate a link with the exceptional need and the school and why it is necessary for your child to attend this school in particular and the difficulties it will cause your child to attend another school.

It is for you to decide how to support your case and what documents to provide, but these must be submitted by the closing date: **15 January 2022**. The Admissions Team is not responsible for contacting professionals for information about your case and any decision will be based on documents you submit by the closing date.

The notification date is **19 April 2022**. You will not therefore be advised before this date whether your request for priority is agreed. If priority is not granted, your application will be considered against the remaining criteria.

It is important to be aware that very few cases are agreed under this category. The Admission Authority must be able to justify awarding priority for a child above other applicants. It will need to be agreed by those making the decision the professional support provided clearly makes a case that the needs for the child can only be met at the school requested, as opposed to another local school.

(iii) Children of staff - Priority will be limited to one place for each form of entry in any year with an additional maximum limit of no more than:

- 3 children throughout the whole school (for single form entry schools)
- 4 children throughout the whole school (for 1 ½ form entry schools)
- 5 children throughout the whole school (for 2 form entry schools, and upwards)

All such applications must be submitted to the LA and must be accompanied with the relevant paperwork supporting an application on these grounds. The applicant must take sole responsibility to provide such paperwork. Without the provision of the relevant papers, priority will not be given on these grounds.

6. Admissions arrangements that apply to all WCC community primary schools

6.1 Twins, triplets and multiple births – twins, triplets and multiple birth children will be considered as individuals alongside all other applicants. Every effort will be made to accommodate twins or multiple birth children within the same school even if this means that the PAN will be exceeded.

6.2 Children attending nursery class at a school – Parents of children attending the nursery class at a school must reapply for a reception class place. There is no automatic transfer from the nursery class to the reception class at a school. The infant or primary school where a child attends a nursery class will not necessarily be able to offer a place in reception.

6.3 Split residence – Where a child lives with parents with shared responsibility, the address where the child spends the majority of the school week should be used for the school application. If there is a genuine 50/50 shared arrangement in place, the address where the child lives are determined using a joint declaration from the parents stating the pattern of residence. In cases where an agreement cannot be agreed and Child Tax Credit

is claimed, the address that is registered for this claim will be used.

6.4 Random allocation - any applicants requiring order of priority using random allocation, will be determined using a Third Party Draw Service - **Random.org**. This process is independent of the school and managed by the Council's Admissions Team

6.5 Date of admission/deferred entry – Children will normally be admitted to the reception year for community primary schools in the September following their fourth birthday.

In line with the Admissions Code, parents can defer their child's entry to the reception year until later in the school year, where they have been offered a place at a school to start before they are of compulsory school age. Where entry is deferred, the school will hold the place for that child and not offer it to another child. However, entry cannot be deferred beyond the beginning of the term after the child's fifth birthday, nor beyond the end of the Reception Year. In practice this means that parents could defer entry until January for children born between 1 September and 31 December, or until April for children born between 1 January and 31 August. Parents can also request that their child attends part-time until he/she reaches compulsory school age.

6.6 Requests to apply for Reception in the following year* – Requests for admission outside of the child's chronological year of entry will be considered in accordance with para. 2.17 (Admissions Code). Such requests would normally apply to children that are Summer born (between April and August) and there are significant reasons that would benefit the child's academic, social and emotional development by starting reception in the following year as opposed to Year 1. The Council, as the admission authority for community schools (or the governing body for the academies), must make decisions on the basis of the circumstances of each case, informing parents of their statutory right to appeal. The headteacher of each of the school(s) applied for will be informed of the request and their views taken into account. This right to request a later admission, does not apply if the child is offered a place in another year group at the school. Each case will need to be supported by a professional (e.g. GP, social worker) that provides the reason for admissions outside of the chronological year group.

**The current legislation that applies to options for Summer born children is currently subject to a review by central government. Any changes will be reflected in the admission arrangements accordingly.*

6.7 Year 3 Admission – In the case of Year 3 admission to Barrow Hill Junior School priority of admission is given to pupils transferring from Robinsfield Infant School. Junior

transfer applications must be made to through the Home LA as part of Pan London coordination.

6.8 Method of Application – Parents/carers must apply on the Common Application Form of the local authority where they live. This can be completed online www.westminster.gov.uk/admissions or on a paper can be requested from the Home LA's Admissions Team.

6.9 Closing Date and Initial Notification Date – Under the WCC coordinated admission arrangements the closing date for reception class applications will be 15 January 2022. Notification letters will be sent out on 19 April 2022.

7.0 Late applications - Applications received after the set closing date will be accepted but will not normally be considered for a place at the school until after the initial offer date.

7.1 Waiting List - Unsuccessful applicants (including any applications received after the closing date) will be included on the school's waiting list ranked in order of priority under the published oversubscription criteria, without regard to the date that the application was received. Please note a child's position on the waiting list can go down as well as up. For example, if a new application is received or if a child on the list moves nearer to the school, the waiting list may need to be revised. The offer of a place does not depend on the length of time your child's name has been on the waiting list and there can be no guarantee that a place will be offered.

7.2 Appeals - Unsuccessful applicants have a right of appeal to an Independent Appeal Panel. Further details will be included in the notification letter.

7.3 Coordinated admission arrangements and timetable for applications to reception

As required by law, WCC will be coordinating admissions for 2022/23 entry.

This document outlines the scheme which will run along similar lines to the arrangements to previous years.

Details of the coordinated scheme will be available online at www.westminster.gov.uk/admissions or by contacting the School Admissions Team on 020 7745 6432/36433 or email: schooladmissions@westminster.gov.uk.

7.3 In-Year admissions

Applications for a school for a year group already established (Year 1 to 6 and reception from the start of September) are made on the Council's in-year common application form. If no waiting list is operation and a vacancy exists in the child's chronological year group, a place will be offered. Where a vacancy does not exist, the application will be considered in accordance with the oversubscription criteria and associated admission arrangements.

7.4 In-Year Fair Access

The council has in place a Primary Fair Access Protocol that provides the mechanisms for the placement of children that require a school place in-year but present a high level of need but do not an Education, Health and Care plan in place. All community schools participate in the protocol and further details can be obtained from the Admissions team at: schooladmissions@westminster.gov.uk.

Disclaimer: [The School Admissions Code](#) referenced in these arrangements is subject to a review following a recent public consultation. Any mandatory changes that may affect

the arrangements for the academic year 2022-23 will be mended and published on the Council website.
