Holocaust memorials vandalized around the world

Greece, Austria, Ukraine, France, the US. In 2019, antisemitic hate led to the desecration of places which are dedicated to teaching about the dangers of unchecked hatred in the first place: Holocaust memorials. **#WeRemember**

Positive developments in the fight against antisemitism

2020 has been a difficult year globally, but there have been some positive steps in Europe and around the world to counter antisemitism, racism, and xenophobia.

Moldova: Historic Jewish cemetery vandalized

Over three nights in late October, the historic Jewish cemetery in Chisinau, Moldova, was vandalized with antisemitic graffiti and toppled headstones. Yet again.

Barbie, a Jewish-American story

Ruth Handler's parents came to America to escape antisemitism. Just a few decades later, their daughter, born on this day in 1916, revolutionized the global toy industry. It's a true American success story.

Yitzhak Rabin: His life in photos

Israeli Prime Minister Yitzhak Rabin was assassinated 25 years ago today. One year earlier, in October 1994, with Rabin as prime minister, Israel and Jordan had signed a peace treaty. He was assassinated one year later because of his peace initiative. May his memory be a blessing.

The Jews of Sudan

As Sudan and Israel have announced they are normalizing relations, we look at the country's little-known Jewish history.

With thanks to [JIMENA: Jews Indigenous to the Middle East and North Africa](#)
