Notes from the previous Licensing Sub-Committees

Basement and Ground Floor, 49 Lexington Street, W1 (West End Ward / West End Cumulative Impact Area)

The Sub-Committee had before it an application for a new premises licence for a premises proposing to operate as a restaurant. The application sought to allow on sales of alcohol between 10:00 to 00:00 Monday to Saturday and 12:00 to 23:30 on Sundays. The premises was previously licenced however this had lapsed due to the premises licence holder going into liquidation. The Sub-Committee noted that the premises was located in a Cumulative Impact Area. Concern was expressed that the hours requested were beyond core hours and it was currently unknown who the operator at the premises would be. The Sub-Committee was therefore of the opinion that the Council's model restaurant condition should be imposed on the licence and restricting the hours for the sale of alcohol to core hours would help ensure it did not add to cumulative impact in the area. The conditions proposed by the applicant were accepted as they were considered appropriate and would ensure the premises promoted the licensing objectives. The Sub-Committee therefore granted the application accordingly.

The Sub-Committee had before it an application for a Provisional Statement for a new premises licence for a premises proposing to operate as an A3 restaurant unit with external seating. The application sought to allow on sales of alcohol between 10:00 to 01:00 Monday to Saturday and 12:00 to 23:30 on Sundays. The Sub-Committee noted that only one resident had submitted a representation regarding the application and this was in support of it. The premises was currently vacant and the Sub-Committee also had regard to the Police's comments that allowing the application had the potential to reduce crime and disorder in the area. The conditions proposed by the applicant and Environmental Health were considered appropriate and would include the Council's restaurant model condition which would ensure it could not become a drink-led premises. The location of the establishment was considered unique and therefore even though the hours requested were beyond core hours the Sub-Committee was of the opinion it would not add to cumulative impact in the area. Having heard all the evidence, the Sub-Committee was satisfied that the premises would uphold and promote the licensing objectives and therefore granted the application accordingly.

Reign, 215-217 Piccadilly, W1 (St James's Ward / not in cumulative impact area)

The Premises User had submitted a temporary event notice to permit a last entry time of 01:30 hours instead of 00:30 on 21 and 22 October 2017. The temporary event notice was opposed by the Police based on an incident which had occurred previously at the premises during the operation of a temporary event notice. However, after having heard all the evidence the Sub-Committee was of the opinion that the applicant had followed its procedures in place during the incident and had subsequently introduced even further stringent controls. The Sub-Committee was satisfied that these controls would ensure the licensing objectives were promoted and therefore granted the application accordingly.
