Good Morning,

Thank you for sending me this document for comment.

I have commented upon previous iterations on behalf of the churches in Belgavia/Pimlico.

I welcome the inclusion at 6.6 on the preservation of Belgavia's churches, the reference made to their considerable architectural significance and their unique cultural and community role. The reference to Westminster's own policies is most appropriate.

I also welcome the specific reference to churches with reference to CIL in section 9.

Best wishes,

Timothy Jones
