Dear Brandon

Thank you for consulting the Port of London Authority (PLA) on the Belgravia Neighbourhood Plan, in accordance with Regulation 16 of the Neighbourhood Planning (General) Regulations 2012 (as amended), which sets out new planning policies for the development and use of land in the Neighbourhood Area including on matters such as character, heritage, design, sustainability, land use, cultural uses, major development sites and the environment. I have now had the opportunity to review the consultation documents and can confirm the PLA has no comments to make.

Regards

Michael

WATCH YOUR WASH

As the master of a power-driven vessel operating on the river Thames, you have a **responsibility** not only to your passengers and crew, but also **other river users** and the **environment**. The wash created by your vessel making way, as well as the draw-off effect, can be **dangerous** to those around you.
