Subject: Fitzrovia West Neighbourhood Plan consultation (Submission version Regulation 16)

Dear Sir/Madam,

Publication of the Fitzrovia West Neighbourhood Plan (Submission Version)

The Council have recently received a submission version of the Fitzrovia West Neighbourhood Plan from the Fitzrovia West Neighbourhood Forum. We are now seeking representations on the Plan in accordance with Regulation 16 of the Neighbourhood Planning (General) Regulations 2012 (as amended), before it is examined by an Independent Examiner.

The plan includes policies on a range of matters including commercial activity, regeneration, mobility and transport and the environment. If adopted, the Plan will become part of Westminster's statutory development plan and will be used alongside the Council's own planning documents and the Mayor's London Plan in determining planning applications in the

Fitzrovia West Neighbourhood Area.

The plan and other submission documents can be viewed on the Council's website at <https://www.westminster.gov.uk/np-fitzrovia-west>.

Representations on the Plan should be received by no later than 5pm on **4th August 2020**. They can be made by email to neighbourhoodplanning@westminster.gov.uk or in writing to: Neighbourhood Planning, Policy and Projects, Westminster City Hall, 17th Floor, 64 Victoria Street, London, SW1E 6QP. If you wish to be notified of the Council's final decision in relation to the Plan, this should be made clear in your representation.

The attached statement provides further detail on how to make representations, along with some further background information.

If you require any further information, please do not hesitate to contact us.

Yours sincerely

Good afternoon,

Thank you for consulting us on the submission version of the Fitzrovia West Neighbourhood Plan (Reg 16). We previously provided comments on the HRA and SEA assessment back in January 2020, at which point we confirmed that there are no environmental constraints for which we are a statutory consultee within the neighbourhood plan area. We therefore have no further comments to make in relation to this plan.

Best wishes,

Katherine Dalton
