Consultation: Mayfair Neighbourhood Plan consultations

Highways England Ref: #5172

Dear Planning Team,

Thank you for your email dated 14 May 2018, inviting Highways England's to comment on the above consultation and indicating that a response was required by 24 June 2018.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and, as such, Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs, as well as in providing effective stewardship of its long-term operation and integrity. We will therefore be concerned with proposals that have the potential to impact the safe and efficient operation of the SRN.

Having examined the consultation on Mayfair Neighbourhood Plan, we are satisfied that it will not materially affect the safety, reliability and / or operation of the SRN. Accordingly, Highways England does not, offer any comments on the plan.

Thank you again for consulting with Highways England and please consult us via our inbox: planningse@highwaysengland.co.uk.

Regards,

Sent on behalf on Heather Archer – Spatial Planning Manager at Highways England
