

David and Clare welcome you to Barrow Hill Junior School!

We are a village school in the heart of Central London.

We treat teachers with respect and invest in your career.

- We employ **three teachers for every two classes** in each year group so that your English and Maths classes are just 15-20 children, much smaller than in most schools. It's much better that way.
- We invest a lot more money in your career development and on-the-job training than most schools nationally and locally (source: Westminster Schools Profile) – we want you to do well here.

Post: Class teacher for September 2022 (with opportunities for subject leadership/career enhancement)

Dates: Apply before 12.00pm on Monday 6th June 2022

Salary: main pay range, according to experience (£32,157 to £42,624) We welcome applications from colleagues with different teaching and non-teaching experiences.

We respect teachers: Your PPA is collaborative with your year group and Head of Year so you are well supported. We work with good quality partners (we are a long-term flagship school for 2022 BETT award winning Literacy Tree) and include CPD/career planning in your appraisal: bring your ambitions here! Postholder opportunities are supported by leadership time and a highly cooperative team of colleagues.

We have great facilities: a swimming pool, new computer suite, fully-equipped science lab and MUGA pitch. Classrooms are double-sized with our trademark Learning Lounges attached (generously stocked class library/sofas/laptops).

Families choose us for our excellent results, excellent facilities and excellent care: we are inclusive and proudly diverse. Our community is very supportive; we are on first name terms and this sets the tone. Our School Values are Trust, Fairness and Respect: they apply to children, parents and colleagues equally.

Barrow Hill Junior School is just two minutes from St John's Wood Underground station and within speedy reach of the West End, mainline stations and all major bus routes. Lord's Cricket Ground is virtually next door and Regents Park is two streets away. It is a very happy, ambitious and sparky two-form entry school with 240 Key Stage 2 pupils. It's popular and well-loved locally.

We are looking for a teacher to join our team in September. Here's what we are looking for:

- Someone who will join in our team with good spirit and contribute their ideas
- Someone who will use our support well and make it their own
- Someone who will really go the extra mile so that learning is enjoyable and purposeful for your children
- Someone who has a good work ethic and will model our school values, putting them in action

We can offer you in return...

- Small English and Maths groups each morning with children who are fun, respectful and creative.
- A bespoke CPD package with excellent support from quality consultants who have dedicated time with you.
- A place in a team with genuinely friendly and supportive colleagues
- Investment in your career goals: we invest so that your skills and interests are shared and developed.

It's worth looking at our website: www.bhjs.co.uk and reading our Prospectus. It will help you decide.

We look forward to welcoming you to Barrow Hill!
