Control of Pollution Act 1974

Application for VARIATION of Section 61 Consent Notice

To: Westminster City Council
Crossrail and Environmental Sciences Team
Highways and Public Realm
22nd Floor, Portland House
Bressenden Place
Victoria
London
SW1E 5RS

Email: environmentalsciences2@westminster.gov.uk

WE HEREBY MAKE APPLICATION to Westminster City Council for a **VARIATION** in respect of works to be carried out as specified under Section 61 of the Control of Pollution Act 1974.

Signed*: _____ Date: _____

Print Name*: _____

(IN BLOCK CAPITALS)

**Where an application is made by a Company the signature should be of a Director or the Company Secretary and the address should be the Company's registered office.*

Registered Office Address:

City of Westminster

NOTE: Please include the relevant Section 61 Notice reference which can be found on the Section 61 Notice. The correct reference ends with the code CP61C (e.g. 17/12345/CP61C). Supporting documentation should be appropriately referenced within the relevant variation sections. It is recommended that supporting documents are added as Appendices to this variation application form and titled Appendix A, B, C etc...

A variation can be made when the changes or additions have no impact upon the predicted noise levels previously agreed within the original Section 61 consent.

Summary of details:

Summary Description of Variation	
Applicants Section 61 Reference if applicable	
Local Authorities Section 61 Notice Reference	___/_____/CP61C
Applicants Variation Reference	

City of Westminster
