General Terms and Conditions

1. Payment

Payment can be made by credit/debit card or by cheque. Cheques should be made payable to 'City of Westminster'. If correct payment is not received by 2pm on the last working day before the suspension or dispensation for your skip is due to commence, the application may be cancelled.

2. Conditions of Use

2.1 Westminster City Council may revoke the suspension or dispensation if skip work has not started as agreed, unless previously advised of an alternative start time. No refund will be provided.

2.2 Suspended spaces and dispensations are not to be used for parking, privately owned vehicles or company cars. Please ask if unsure.

2.3 For skips placed on a yellow line, the skip may only be deposited on the single yellow line at the location specified on your dispensation during the times and days stated on your dispensation.

2.4 For skips placed in parking bays, the skip may only be deposited in the parking space specifically suspended for that purpose (indicated on the suspension sign), which is only valid for use during the times and on the days stated on the sign.

2.5 The skip must not be deposited within the boundaries of the Royal Parks, nor in such a manner as to cause an obstruction.

2.6 The skip must be removed if requested to do so by a Metropolitan Police Officer, Traffic Warden, City of Westminster Marshal or Duty Officer.

2.7 A yellow line dispensation is not transferable and no refunds will be given for periods of unused time. Refunds may be given for unused days of a parking suspension (see section 3 below).

2.8 The City Council reserves the right to inspect the skip licence number overleaf by an Authorised Officer or Authorised Agent of the City Council, at all reasonable times for the purposes of verifying the works and/or authenticity of the suspension or dispensation application.

2.9 If any difficulties are encountered while the parking suspension or dispensation for your skip is in place, please telephone 020 7823 4567.

3. Refunds

If a suspension for a skip is no longer necessary (e.g. work finished after 5 days instead of 10) a refund for the days that were not needed may be applied for. Westminster must be notified by 2pm the day before the space is no longer required by calling the Suspensions Team on 020 7823 4567 between 8am and 2pm Monday to Saturday. The request will additionally need to be confirmed in writing (e-mail acceptable).

3.1 Full Refunds

3.1.1 A full refund will only be issued in the following circumstances:

(i) A suspension sign was not erected due to an error on the part of the City Council and the City Council was notified but did not or could not take action to allow the skip to be deposited in the relevant space.

(ii) If the suspension is cancelled by the customer in advance of the suspension being in place.

(iii) If the Police cancel a suspension for security reasons.

3.1.2 Refunds are either made to the credit/debit card used to pay for the suspension OR paid by BACS (bank transfer) if the original payment was made by cheque, in which case customers must provide their bank details.

3.2 Partial Refund

3.2.1 If you have paid for a suspension for longer than becomes necessary (e.g. paid for 10 days, but finished the work after 5 days) you are eligible for a refund of the days that were not needed.

3.2.2 A refund is calculated based on the number of spaces multiplied by the number of full un-used days remaining (minus administration fee as below).

3.2.3 An administration fee of £20 per space will be withheld.
3.2.4 Westminster must be notified by 2pm the day before the space is/spaces are not needed. Please call the Suspensions Team on 020 7823 4567 between 8am and 2pm Monday to Saturday.

3.2.5 Refunds are either made to the credit/debit card used to pay for the suspension OR paid by BACS (bank transfer) if the original payment was made by cheque, in which case the customer must provide their bank details.
