

## Roman Catholic Registers

This is a list of the Roman Catholic registers at City of Westminster Archives Centre. None of these are original registers.

Anglican parish registers are listed in *Information Sheet 1*, and Non-Conformist registers are listed in *Information Sheet 3*.

Westminster Diocesan Archives holds some parish registers, and a list of these is available on their website at [www.rcdow.org.uk](http://www.rcdow.org.uk), but most are still at the churches. For further information contact the Catholic Family History Society or the Catholic Archives Society, both via [www.catholic-history.org.uk](http://www.catholic-history.org.uk), or the Society of Genealogists ([www.sog.org.uk](http://www.sog.org.uk)), which has copies of some registers. There is also a useful booklet called *Tracing your Catholic Ancestry in England* by Michael Gandy.
